

POLO FOR HEART

Attention all Artists....

June 17, 18, 19, 2011 is Polo For Heart. This three day polo festival in Richmond Hill attracts thousands of spectators and corporate sponsors. Proceeds raised from the event go to the defibrillator program at the Heart & Stroke Foundation and to the Cardiac Care centre at Southlake Regional Health Centre.

Polo For Heart is a unique and exciting event, featuring world-class polo games played daily. Besides the action on the field, guests to the event can browse the boutiques and silent auction tents, watch half-time entertainment shows, participate in the champagne divot stomp, enjoy a catered gourmet lunch or bring their own picnic and dine field-side.

In 2009 we introduced the **Art Walk**, which was a huge attraction and enjoyed very much by the guests at Polo For Heart. Because of its success over the last 2 years we will continue to have the Art Walk in 2011, and make it bigger and better than ever!

We want you...

The Art Walk will be situated in a tented area, near our corporate sponsor tents. We are looking for artists of all media's, who are locally based, and who would like to showcase their talent at this unique and elegant event. Polo For Heart attracts a large audience of both corporate guests and general public, and would make an ideal venue to display and/or sell your artwork.

Reserve your space on the Art Walk...

The cost for a 10' x 10' area in the art walk tent is \$300 for all three days. We invite all local artists to come and participate in this worthy cause. For more information please contact Alyson Barron at (905) 841-0972. To reserve your space in the Art Walk tent please fill out and return the reservation form attached, along with your payment.
